

PSPH Series

Heavy-duty Type Level Compensator

Features

- ◇ Heavy-duty spring for heavy-duty applications.
- ◇ Built-in oil free bushing has good wear resistance, which enhances life time.

Applications

- ◇ Suitable for applications where there is height difference.
- ◇ For condition in which shock absorption is required during handling process.
- ◇ For condition of short operating cycle and fast movement.

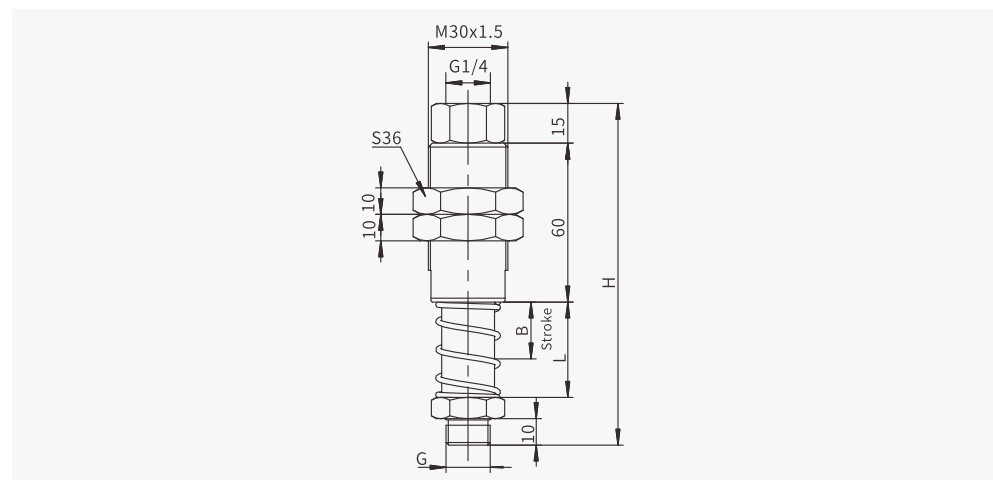

How to order

PSPH - E 25 G3M - M30

① ② ③ ④ ⑤
